

Colorectal Cancer
Association of Canada

RANDONNÉE VICTOR RICHARD

Fund Raising Cycling Event
to benefit the
Colorectal Cancer Association of Canada

The Randonnée Victor Richard is a non competitive cycling excursion of approximately 135 kilometres. The cyclists will leave from the St-Sauveur church at 9:00 am, Sunday August 16th, and head to Mont-Tremblant; they will return to St-Sauveur in the afternoon, maintaining a speed of 25km /hour.

I confirm that I am physically fit to participate in this event.
It will take place rain or shine.

The participants commit to raise funds and remit them entirely to the *Colorectal Cancer Association of Canada*. The procedure for remittance of such funds will be forwarded at a later date.

I would be most happy to greet you among this group of enthusiastic volunteers.

Hoping to hear from you.

I remain yours gratefully,

Paul Richard
